Dear Sir:

Petitioner, 3M Innovative Properties Company, a corporation of the State of Delaware having a place of business at 3M Center, St. Paul, MN, represents that it is the exclusive owner of the entire interest in the above-identified application (referred to as the "Subject Application") by virtue of an assignment recorded at Reel 012908, Frame 0356, on May 15, 2002. Petitioner further represents that it is the exclusive owner of the entire interest in U.S. Patent Application No. 10/118,489 (referred to as the "Prior Patent Application"), by virtue of an assignment recorded at Reel 013111, Frame 0522, on July 23, 2002.

Petitioner disclaims the terminal part of any patent granted on the Subject Application (referred to as a "Subject Patent") which would extend beyond the expiration date of the full statutory term, as defined in 35 USC §§ 154 to 156 and 173 and as presently shortened by any terminal disclaimer, of any patent granted on the Prior Patent Application. Petitioner hereby agrees that the Subject Patent shall be enforceable only for and during such period that the legal title to such patent and any patent granted on the Prior Patent Application are commonly owned. This agreement is to run with the Subject Patent and to be binding upon the grantee, its successors, or assigns.
